Eagle Creek Condos – is a little hidden treasure in a cul-de-sac bordered on the west by Palm Aire's Lakes golf course at the 11th fairway, backed by a natural habitat greenway, and on the east by University Park. This quiet community lies at the eastern end of West Country Club Way, just four blocks from Palm Aire Country Club.

The twelve two-story buildings which comprise the friendly community are well maintained and the clubhouse and pool area are favorite gathering places for the residents, many of whom are owners who are permanently settled into the sociable atmosphere which makes this such a desirable place to call home.

The permanent residents of Eagle Creek have created an atmosphere of a friendly neighborhood where everyone's rights and privacy are respected, but when trouble arrives at anyone's doorstep, help is always near at hand.

With easy access to downtown Sarasota, several beautiful beaches, The Asolo Theatre, The Ringling Museum, Sarasota Airport and great shopping centers, this pet friendly neighborhood is quite special.

Anyone considering relocating to this area should definitely come and see Eagle Creek Condos, a neat, well-groomed community. With many amenities, including a lending library and monthly pot-luck dinners in the well-appointed clubhouse, It is sure to impress. Every unit has two bedrooms, two baths, and a screened lanai. Many of the 150 units have a golf course view, and all are bordered by mature trees and small gardens.
