Fairway Point is an active Palm Aire community, covering 27 acres, with two large heated pools. It is comprised of 142 units with mixed housing styles. This community is one of the friendliest communities in beautiful Sarasota, Florida.

Fairway Point is located just north of University Parkway, near I-75. This location provides convenient access to numerous cultural, shopping, and dining opportunities, and world-class beaches on the Gulf of Mexico.

A canopy of mature oaks, palms, and pine trees surrounds one hundred forty-two units: twin villas, four top villas and two-story condominiums with fabulous sunset and golf course views. Our swimming pools are located at the north and south end of the property and provide for a great way to meet and socialize with neighbors.

Whether you are lucky enough to live here already or are just looking for a new home, Fairway Point is a great place to be!
