

PACC Rep—Mike Grubbs

Incorporated in 1981, Country Lakes at Palm-Aire is a Deed-Restricted subdivision, consisting of 167 single family homes situated around three lakes near the Northeast boundary of Palm-Aire Country Club, featuring spacious lots of one-third to one acre in size. There are 57 lots on the lakes. Country Lakes was developed between 1983 and the early 1990's as a genteel community of varied architectural styles and a strong pride of ownership. Many of our original residents still reside in Country Lakes, a testament to the beauty and good stewardship which has been at the direction and the legacy of the residents past and present. Just a short cart ride to two Championship golf courses and all the facilities of Palm-Aire Country Club, Country Lakes offers gracious living and easy access to all the Sarasota area has to offer.
